FUNCTIONAL GELS

**ICEGEL BALSAM –
MENTHOL & CAMPHOR**

A cooling ice gel balm. May effectively soothe aching body parts and help recovery from sports injuries by alleviating strains, bruises, sprains, dislocations, muscle soreness, stiff and overexerted muscles. The clinically proven effects of herbs make the product suitable for the treatment and cooling of areas affected by musculoskeletal and joint problems. The menthol, camphor, cinnamon oil and clove oil first cools, then warms the treated area, they may boost blood circulation, and when combined with a massage, the product invigorates and soothes fatigued muscles and limbs. The cream gel is absorbed easily and completely without leaving any residue.

Application: Also suitable for massage therapy to relieve tension in muscles of the legs and feet, the back, the waist, the neck, the hands and the arms.

Main Ingredients: Menthol, Camphor, Methyl Salicylate, Cinnamon, Nutmeg

SBS030 250ml

**RESCUE GEL –
CALENDULA & ALOE**

Soothing and skin-softening recovery gel with calendula, aloe vera and panthenol for sensitive, irritated, dehydrated and chapped skin (including the nail bed) to facilitate the regeneration of skin cells. Unlike creams, this gel is not grease-based, and it is an excellent skin-softening, nourishing and soothing product, suitable for daily skincare. The fragrant herbal extracts, coconut oil and Vitamin E rejuvenate, soften and nourish the irritated skin. Although the gel absorbs completely without leaving any residue, it has a long-lasting effect.

Application: Use it daily, 3–4 times a day, on clean and intact skin. Use it regularly, several times a day as needed. Do not apply this product on open wounds.

Main Ingredients: Calendula, Aloe Vera, Coconut Oil, Panthenol

SBS272 250ml

**REGENERATION GEL –
COMFREY & ROSEMARY**

Cooling and relaxing, versatile gel with rosemary oil, lavender oil, comfrey, menthol and camphor. Helps skin-regeneration and recovery after strains, sprains, contusions and sports-related skin conditions, and alleviates the unpleasant symptoms of muscle soreness (foot, waist, arm, shoulder, etc.). The active ingredients make it ideal as complementary treatment of the body and limbs, for massage treatments of fatigued and achy body parts. This refreshing gel is suitable before and after sports/intense physical activities. Absorbs quickly without any residue, great choice for those, who dislike oily and greasy creams.

Application: Use it daily, 3–4 times a day, on clean and intact skin.
